I'm excited that you are signing up your child for this terrific opportunity. Junior Golf is how I got started at the age of 7. My mission is to make sure your child has fun while learning this great game. Please go over my program guidelines that have been provided. Feel free to ask any questions. I am here to encourage young people to love golf.

-Amy Feeley

To make these programs successful, I agree to the following:

1. My child will be picked up from the golf course no later than 10:30am. For safety reasons; students without adult supervision are not to be left for the day. Each program ends at 10:30am. Therefore, adult volunteers are not responsible for your child after 10:30am. If your child has not been picked-up before 11:00am, a phone call will be made.

2. If my child demonstrates disrespect towards the following: summer program guidelines, the golf course and employees, adult volunteers and other students; a phone call will be made by Ms. Feeley. I agree to an immediate conference regarding his/her disrespectful actions, in which the continuation of his/her program will be reviewed. Registration money will not be refunded if my child is asked to leave the summer program.

3. I agree to the registration fee.

Because spaces are limited, I ask that you pay the fee even if your child cannot attend all days.

*If you are willing to be a parent volunteer all fees will be waived .Please print your name here if you would like to be a parent volunteer. _____

4. I give the Twin Hickory Golf Course permission to **photograph my child during golf as well as possibly publish their picture on their website.**
