

## Staying safe on the Golf Course during COVID-19

Twin Hickory is currently open for golfers. However, the following restrictions are in place in accordance with NYS mandates during the COVID-19 crisis:

- The club house is open, but social distancing of at least 6 feet between groups must be maintained. Masks must be worn inside the clubhouse unless you are seated and eating/drinking. NO EXCEPTIONS. We face stiff NYS penalties if patrons are caught not wearing masks.
- Only one person per cart is allowed unless you are part of the same household and/or drove to the course together.
- Pins must remain in the cups.
- Cups will be raised.
- There will be no rakes in the traps.

Call us at 607-324-1441 to get a tee time. **Do not head to the course until you have a reserved tee time.** This will allow us to safely separate groups.

Stay safe & have fun!
